WINDOW FILM

Vista™ by LLumar® Custom Decorative Window Film
Imagine the possibilities.

BRING YOUR VISION TO LIFE WITH VISTA™ BY LLUMAR® CUSTOM DECORATIVE DESIGNS

Custom Decorative Window Film

From simplistic to sophisticated, serious to whimsical, custom decorative window film leaves a lasting impression with clients, customers, even passers-by. Envision the ideal concept for your next project. We'll do the rest, helping make your vision a reality.

Vista by LLumar Custom Decorative Designs window film works well for retrofit projects and for new construction. Incorporate into your next project as a refreshing way to add interest to a space at a fraction of the cost of etched or stained glass. Since the window film is removable, change is easily made to accommodate new needs or simply for a renewed look.

DESIGN ONE-OF-A-KIND DECORATIVE WINDOW FILM

Put your imagination to the test as you peruse the customizable patterns which offer unending design options through your combined choices of color, opacity, size and texture. Tailor your project with our exclusive designs that were crowd-sourced from around the world. Custom-make cityscapes, landscapes, romantic motifs and geometric patterns with bold and bright colors, subtle pastels or impactful black and white; select textures that makes your design pop; and/or play with scale and size to make a statement. Create options that bring your clients' dreams to life, whether looking for subtle privacy, practical division of space, creative intricacies or sweeping elegance.

Enhance your next project with show-stopping function and open up a whole new world of design.

Corporate overview

Eastman is proud to have two of the largest and most integrated window and performance-coated film manufacturing sites in the world. With more than 55 years of experience in film production and technology we have a deep and abiding commitment to operational excellence, developing products that respond directly to market demand.

We work directly with a variety of designers and customers to create products that improve the efficiency and performance of glass. We offer one of the industry's widest arrays of film technologies, produced in a clean-room environment to ensure optimum quality.

Contact us with your building envelope and interior design challenges and questions. We are here to help. We can work with your building's window needs and your budget goals to help you select the right window film.
